

Dumper Driver / Operator

Job Overview:

We are looking to hire a dedicated dump truck driver to transport various materials to construction sites. The dump truck driver's responsibilities include using the cranks and levers inside the truck to unload materials, supervising the loading of materials onto the truck, and inspecting the truck for any mechanical issues before and after every trip. You should also be able to safely drive and operate the truck in all weather conditions.

To be successful as a dump truck driver, you should be able to pick up and deliver materials according to a schedule. Ultimately, a top-performing dump truck driver should perform all duties in accordance with The Company safety rules.

Key Responsibilities:

- Co-operating with other Plant Operators
- Performing prestart checks of machines before start of the shift to ensure its reliability and good appearance
- Work to drawings and method statements and work in a safe manner
- Operate allocated plant to remove and transport materials around site and in accordance with the project aims
- Operate in accordance with risk assessments (and carry out your own risk assessments where applicable)
- Co-operate with Groundworkers and banks men as required
- Maintain professional competences e.g., CPCS
- Count, store and transport tools and equipment where applicable
- General Ground working duties when not operating the machine
- Transporting crushed rock, sand, and gravel to and from specified locations
- Basic maintenance of own machines and when required reporting any defect to the Workshop
- Excellent housekeeping
- To perform the job in accordance with the Company's policies and procedures
- To perform any other duties as may be reasonably required from time-to-time

Essential Criteria:

- Must have a valid CSCS Card and previous Ground working experience
- CPCS/NPORS
- The ability to identify and react appropriately to hazards
- Extensive knowledge of heavy equipment
- Flexible to work shifts and overtime when required
- Being reliable and able to develop new skills
- The ability to carry out duties unsupervised, in harsh weather conditions, and during irregular hours when required
- The ability to follow written and verbal instructions
- Excellent reporting skills
- You must have a valid ID which allows you to work in the UK

Desirable Criteria:

- Effective communication skills
- Previous experience gained in construction environment

Duration: Full-time permanent **Hours of work:** Monday to Friday depending on contract

Location: Dumfries **Remuneration:** Attractive **Benefits:** Funded training and renewals, Company Pension Scheme, Paid holidays, Free On-site car parking, Welfare Facilities, Career Development Opportunities and a culture encouraging inclusion and diversity.
